

# GPSR Label for : Water boiler, tea boiler - made of copper, hammered, with porcelain handle, 1,5L

**Product Name:** Water boiler, tea boiler - made of copper, hammered, with porcelain handle, 1,5L  
**Product ID:** 8881  
**Variation Number:** NEW-8246  
**Manufacturer/Distributor:** ich-zapfe  
**Country of Origin:** Germany  
**Contact Person & Contact Information:** Hr. Stanislav Maer, +49 5151 87798 10, kundenservice@ich-zapfe.de

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
