Attention:

Please decide whether to attach this product onto the wall with the relevant accessories according to your usage. Wobbles due to movements of dryer machine when running can be reduced by fixing this metal rack onto the wall by using metal angle and screws provided (Parts I,J,K & L) as shown on this assembly manual instructions. Kindly refer to the following steps:

Achtung:

Bitte entscheiden Sie, ob Sie dieses Produkt je nach Verwendungszweck über das entsprechende Zubehör an der Wand anschließen und befestigen möchten. Wackelbewegungen aufgrund von Bewegungen des Trockners während des Betriebs können reduziert werden, indem dieses Metallgestell mit den mitgelieferten Metallwinkeln und Schrauben (Teile I, J,K und L) an der Wand befestigt wird, wie in dieser Montageanleitung gezeigt. Bitte beachten Sie die folgenden Schritte:

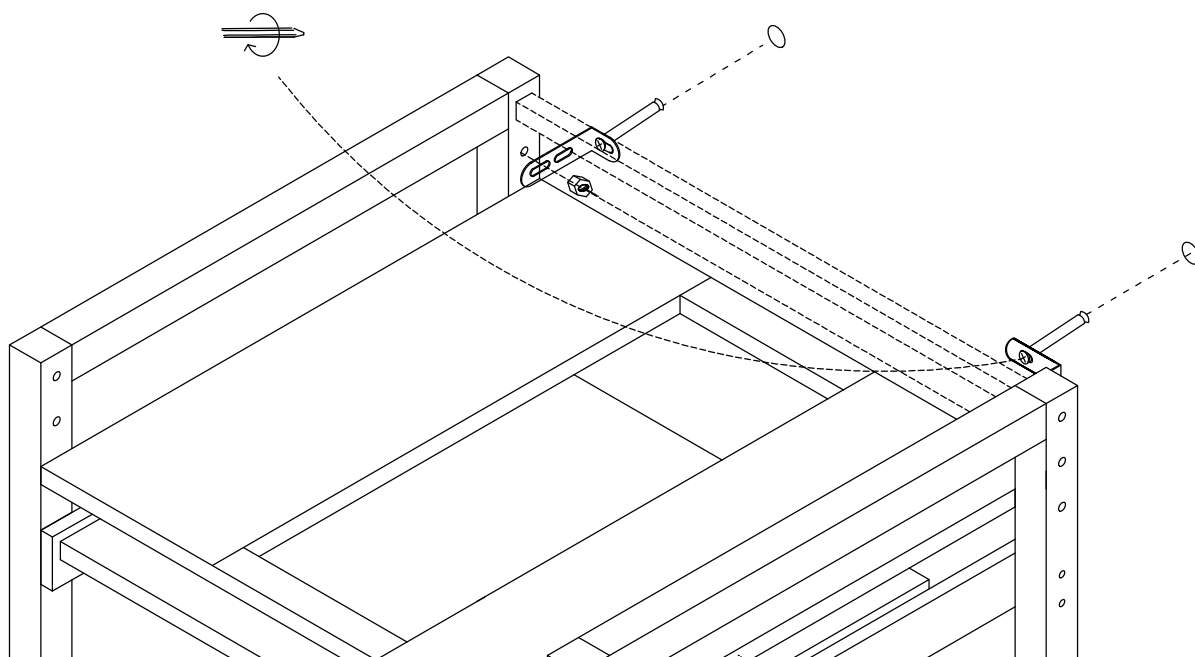

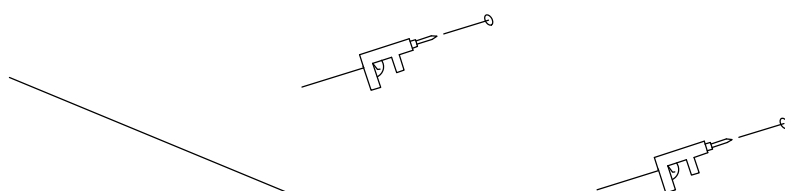

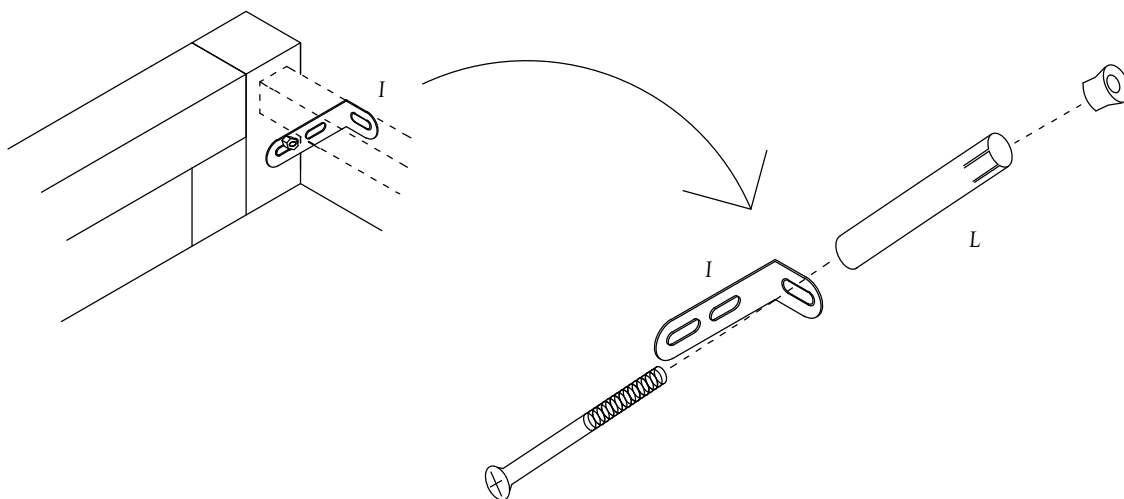

K X2

I X2

M8*50
J X2
