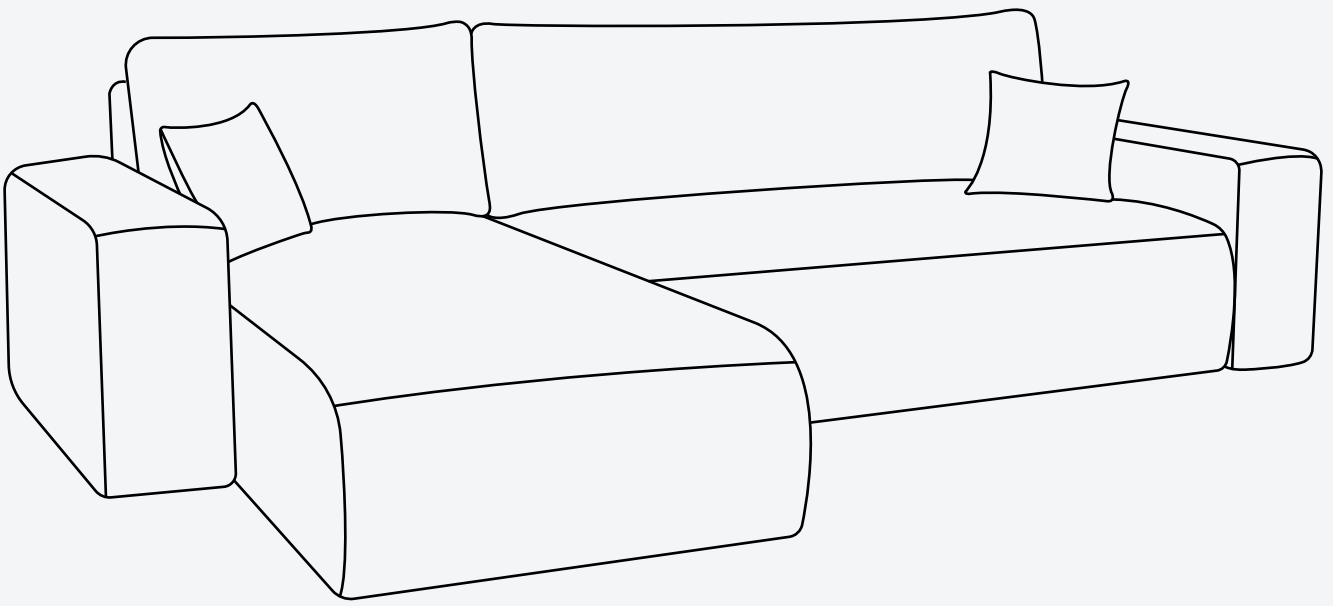
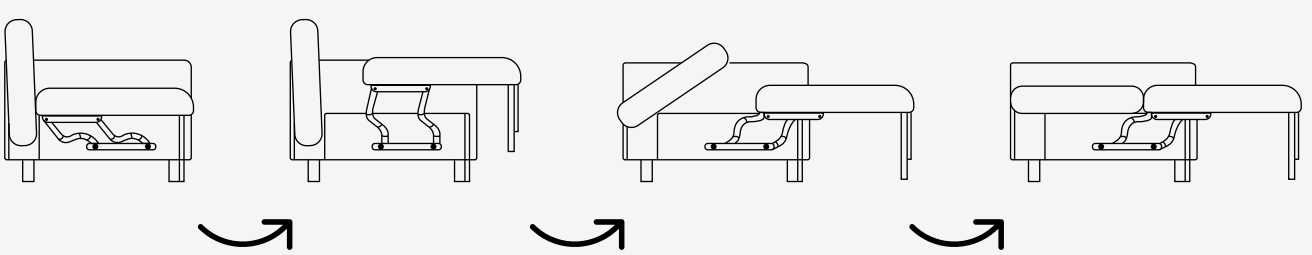
Mona Mini

Corner sofa with sleeping function

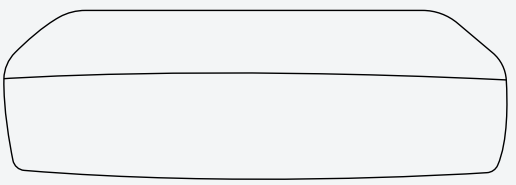


Storage opening mechanism – DL system



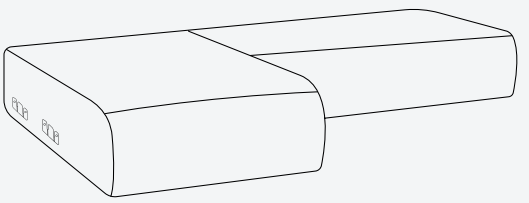
Step 1

Place the seat unit on a flat surface.



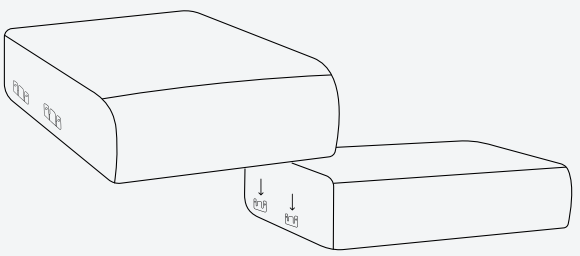
Step 2

Position the ottoman next to the seat unit in the correct orientation.



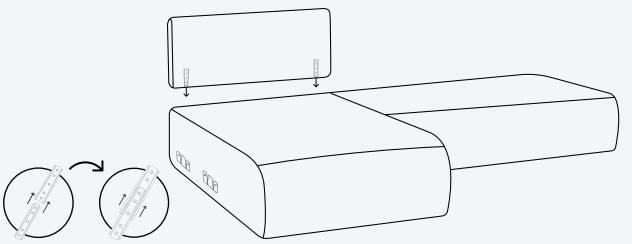
Step 3

Locate the connecting brackets on the seat unit and the ottoman. Then slide the ottoman into the seat unit.



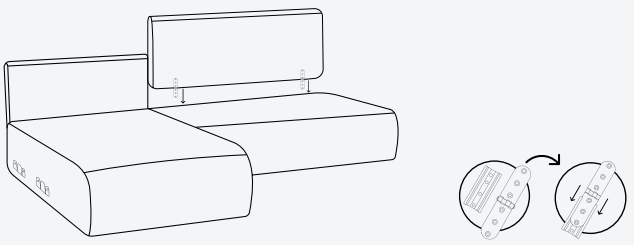
Step 4

For the ottoman: Prepare the backrest and insert it into the guides of the ottoman.



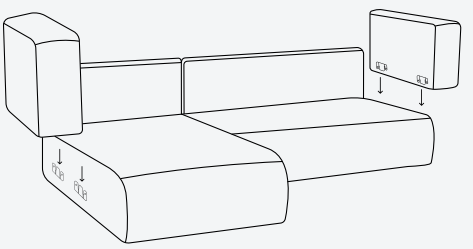
Step 5

For the seat unit (slot-in connection): Prepare the backrest and insert it into the guides of the seat unit until fully secured.



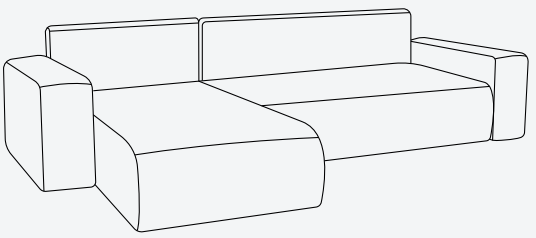
Step 6

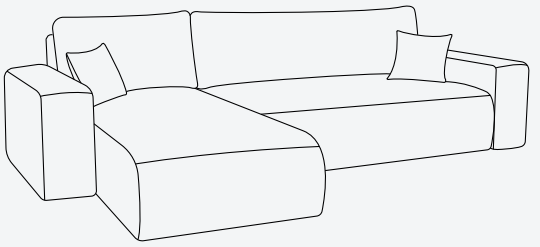
Attach the armrests to the seat unit and the ottoman. Slide them into the guides until fully secured.



Step 7

Place the cushions and adjust the sofa to its final position.



Step 8


Final view of the set – the corner sofa is ready for use.
