

An illustration showing various tools and workers. On the left, there is a screwdriver, a hammer, a power drill with a bit, and a level. On the right, there are two stylized human figures representing workers.

The accompanying wall mounting hardware (anchors and screws) is suitable only for solid masonry (eg concrete or brick walls). For other wall structures are possibly special anchor bolts and other necessary. Tighten if necessary, an expert.

Ekteki duvara sabit montaj malzemeleri (dübel ve vidalar), sadece sağlam duvarlar için (örnek: beton veya tuğla) elverişlidir. Başka duvarlar için özel dübeller ve farklı vidalar gerekebilir. Gerekliğinde bir uzmana danışınız.
