VAROVÁNÍ

- Nikdy nenechávejte dítě bez dozoru.
- Používejte vždy bezpečnostní pás.
- Nebezpečí pádu: Nedovolte dítěti, aby na výrobek lezlo.
- Používejte výrobek pouze, pokud je kompletně sestavený a přizpůsobený.
- Vyvarujte se vzniku nebezpečí způsobeného otevřeným ohněm nebo jinými zdroji tepla v blízkosti výrobku.
- Pozor, hrozí nebezpečí překlopení, pokud se dítě odrazí nohama od stolu nebo jiných předmětů.
- Použití včetně dětské vložky a podnosu: maximální zatížení je až 15 kg.
- Použití bez dětské vložky a podnosu: maximální zatížení je až 80 kg.
- Výrobek nepoužívejte, pokud dítě ještě neumí samostatně sedět. Nepoužívejte výrobek, pokud je jakýkoliv díl poškozen, roztržen nebo chybí.
- NEUMISŤUJTE výrobek v blízkosti oken. Dítě by se tak mohlo dostat na okno a vypadnout z něj.
- NEUMISŤUJTE výrobek do blízkosti oken, kde by šňůry od žaluzií nebo závěsů mohly způsobit uškrcení dítěte.

ČIŠTĚNÍ A ÚDRŽBA

- Uchovávejte produkt na čistém a suchém místě.

MOTSVARAR STANDARD 14988:2017+A1:2020

VARNING!

- Lämna aldrig barnet utan uppsikt.
- Använd alltid säkerhetsbältet.
- Risk för att falla: Låt inte ditt barn klättra på produkten.
- Använd endast produkten om samtliga delar är korrekt monterade och justerade.
- Var försiktig med öppna lågor och andra värmekällor i produktens omedelbara närhet.
- Observera att ditt barn kan välta om det stöter ifrån sig med benen från bord eller andra föremål.
- Användning inklusive babyinsats och bricka: maximal belastning är upp till 15 kg.
- Använd utan babyinsats och bricka: maxlasten är upp till 80 kg.
- Använd inte stolen innan barnet kan sitta självständigt. Använd inte produkten om en beståndsdel är defekt, trasig eller saknas.
- Placera INTE produkten nära ett fönster. Detta kan leda till att barnet når upp till fönstret och ramlar från det.
- Placera INTE produkten nära ett fönster där snören från persienner eller gardiner kan innebära risk för strypning för barn.

RENGÖRING & SKÖTSEL

- Förvara alltid produkten på en torr plats.
- Se till att alla rörliga delar är rena och smörj dem med silikonspray.

OPOZORILO

- Otroka nikoli ne pustite brez nadzora.
- Vedno uporabite varnostni pas.
- Nevarnost padca: Ne dovolite otroku, da bi plezal na izdelek.
- Izdelek uporabljajte le, če so bile vse komponente pravilno nameščene in prilagojene.
- Bodite pozorni na nevarnosti v bližini izdelka, ki jih lahko povzročijo odprti plameni in drugi viri toplote.
- Upoštevajte, da obstaja nevarnost prevrnitve, če se otrok z nogami odrine od mize ali drugih predmetov.
- Uporaba vključno z otroškim vložkom in pladnjem: največja obremenitev je do 15 kg.
- Uporaba brez otroškega vložka in pladnja: največja obremenitev je do 80 kg.
- Ne uporabljajte stola, če otrok še ne more samostojno sedeti. Ne uporabljajte izdelka, če je kateri koli sestavni del poškodovan, raztrgan ali manjka.
- NE postavljajte izdelka v bližino okna. Otrok bi se tako lahko povzpел na okno in padel ven.
- Izdelka NE postavljajte v bližino okna, kjer lahko vrvice, žaluzije ali zavese predstavljajo nevarnost zadušitve za otroka.

ČIŠČENJE IN NEGA

- Izdelek hranite na čistem in suhem mestu.
- Pazite, da so vsi premični deli čisti in jih mažite s silikonskim razpršilom.

VIGYÁZAT

- Soha ne hagyja gyermekét őrizetlenül.
- Mindig használja a biztonsági övet.
- Zuhanásveszély: ne engedje, hogy gyermeke felmásszon a székre.
- Csak akkor használja a terméket, ha az összes része helyesen van összeszerelve és -illesztve.
- Ügyeljen a termék környezetében a nyílt láng és más hőforrás használatából eredő veszélyekre.
- Vegye figyelembe, hogy borulásveszély áll fenn, ha gyermeke lábával ellöki magát az asztaltól vagy más tárgyaktól.
- Használata bababetéttel és tálcával együtt: a maximális teherbírás 15 kg.
- Használata bababetét és tálca nélkül: a maximális teherbírás 80 kg.
- Ne használja a terméket, ha a gyermek még nem tud önállóan ülni. Ne használja a terméket, ha bármely alkatrésze megsérült, elszakadt vagy hiányzik.
- NE helyezze a terméket ablak közelébe. Ez esetben a gyermek elérheti az ablakot és kieshet.
- NE tegye a terméket ablak közelébe, ahol a redőny- vagy függönyzsinórok megfojthatják a gyermeket.

TISZTÍTÁS & ÁPOLÁS

- Tiszta, száraz helyen tárolja a terméket.
- Ügyeljen arra, hogy minden mozgó alkatrészt tisztán tartson, és kenje be őket szilikonspray-vel.

ПРЕДУПРЕЖДЕНИЕ

- Никога не оставяйте детето без надзор.
- Винаги използвайте предпазния колан.
- Опасност от падане: Не позволявайте на детето си да се катери по продукта.
- Използвайте продукта само, когато всички компоненти са правилно инсталирани и приспособени.
- Наблюдавайте зоната около продукта, да няма в близост открити пламъци и други топлинни източници.
- Имайте предвид, че съществува опасност от преобръщане, ако детето Ви се оттласне с крачета от масата или от други предмети.
- Използване, включително бебешка вложка и табла: максималното натоварване е до 15 кг.
- Използвайте без бебешка вложка и табла: максималното натоварване е до 80 кг.
- Не използвайте продукта, ако детето още не може да седи самостоятелно. Не използвайте продукта, ако има увредена, скъсана или липсваща съставна част.
- НЕ поставяйте продукта близо до прозорец. Детето може от него да стигне до прозореца и да падне.
- НЕ поставяйте продукта близо до прозорец, който при наличието на шнуrowe на жалузи или завеси крият потенциална опасност за детето от удушаване.

ПОЧИСТВАНЕ & ГРИЖА

- Съхранявайте продукта на чисто и сухо място.
- Уверявайте се, че всички движещи се части са чисти, и ги смазвайте със силиконов спрей.

ATENȚIE

- Nu lăsați niciodată copilul nesupravegheat.
- Folosiți tot timpul centura de siguranță.
- Risc de cădere: Copiilor nu le este permis să se cațere pe scaun.
- Utilizați produsul doar atunci când toate componentele au fost instalate și ajustate corect.
- Nu ignorați riscurile derivate de la flăcările deschise și alte surse de căldură din apropierea produsului.
- Există pericol de răsturnare în cazul în care copilul dumneavoastră se împinge cu picioarele în masă sau alte obiecte.
- Utilizare inclusiv inserție pentru bebeluși și tavă: sarcina maximă este de până la 15 kg.
- Utilizare fără inserție și tavă pentru copii: sarcina maximă este de până la 80 kg.
- Nu utilizați produsul dacă copilul dumneavoastră nu reușește să se susțină singurel în șezut. Nu folosiți produsul dacă vreuna dintre componente este deteriorată, ruptă sau lipsește.
- NU amplasați produsul în apropierea unei ferestre. Acest lucru ar putea determina copilul să ajungă la fereastră și să cadă.
- Nu așezați niciodată pătuțul în apropierea ferestrelor, acolo unde șnururile jaluzelelor sau ale perdelelor ar putea sugruma copilul.

CURĂȚARE & ÎNGRIJIRE

- Depozitați produsul într-un loc curat și uscat.
- Asigurați-vă că toate piesele mobile rămân curate și lubrifiați-le cu spray pe bază de silicon.

- Dete nikada nemojte ostavljati bez nadzora.
- Uvek koristite sigurnosni pojas.
- Opasnost od pada: Nemojte dozvoliti da se dete penje po proizvodu.
- Proizvod koristite samo ukoliko su sve komponente pravilno instalirane i nameštene.
- U neposrednoj blizini proizvoda obratite pažnju na potencijalne opasnosti koje prete od otvorenog plamena i drugih izvora toplote.
- Imajte na umu da postoji opasnost od prevrtanja ukoliko se dete, primera radi, nogama odgurne od stola ili drugih predmeta.
- Upotreba uključujući umetak za bebu i poslužavnik: maksimalno opterećenje je do 15 kg.
- Upotreba bez uloška za bebu i tacne: maksimalno opterećenje je do 80 kg.
- Proizvod nemojte koristiti ukoliko dete ne može samostalno da sedi. Ne koristite proizvod ako neki njegov deo nedostaje, ukoliko je oštećen ili pocepan.
- Proizvod NEMOJTE postavljati u blizini prozora. Na taj način bi dete moglo da pristupi prozoru i ispadne kroz njega.
- NEMOJTE postavljati proizvod u blizini prozora kod kojih kanapi za venecijanere ili zavese mogu predstavljati opasnost od davljenja za dete.

ČIŠĆENJE I ODRŽAVANJE

- Proizvod uvek čuvajte na čistom i suvom mestu.
- Vodite računa da svi pokretni delovi budu čisti i podmažite ih silikonskim sprejom.
