| (D)                                                                                                                                                                                                                                                                                                                   | Bitte nur mit einem Staubtuch oder leicht feuchtem Lappen reinigen. Keine scheuernden Putzmittel verwenden                                        |
| (GB)                                                                                                                                                                                                                                                                                                                  | Please only with a duster or a damp cloth. Do not use any abrasive cleaners                                                                       |
| (F)                                                                                                                                                                                                                                                                                                                   | Le nettoyage se fait uniquement à l'aide d'un torchon ou d'une serviette légèrement mouillée                                                      |
| (RO)                                                                                                                                                                                                                                                                                                                  | Curățarea trebuie efectuată numai o cârpă sau cu un prosop ușor umezit. Nu utilizați agenți de curățare abrazivi                                  |
| (I)                                                                                                                                                                                                                                                                                                                   | Pulire esclusivamente con un panno o un asciugamano umido                                                                                         |
| (NL)                                                                                                                                                                                                                                                                                                                  | Reinig alleen met een stofdoek of een lichtjes vochtige doek. Gebruik geen schurende poetsmiddelen                                                |
| (PL)                                                                                                                                                                                                                                                                                                                  | Czyszczenie należy wykonać wyłącznie za pomocą ściereczki lub lekko nawilżonego ręcznika. Nie stosować środków czyszczących do szorowania         |
| (TR)                                                                                                                                                                                                                                                                                                                  | Lütfen sadece bir toz beziyile veya hafif nemli yumuşak bir bezle siliniz. Aşındırıcı temizlik malzemeleri kullanmayınız                          |
| (CZ)                                                                                                                                                                                                                                                                                                                  | Čistění je nutné vykonávat výhradně pomoci utěrky nebo lehce navlhčeného ručníku. Nepoužívejte čističí prostředky obsahující abrazivní částice    |
| (SK)                                                                                                                                                                                                                                                                                                                  | Čistení je nutné vykonávať výhradne pomoci utierky alebo ľahko zvlhnutým ručníkom. Nepoužívajte čistiace prostriedky obsahujúce abrazívne častice |
| (HU)                                                                                                                                                                                                                                                                                                                  | A tisztítás kizárólag törleruha vagy enyhén nedvesített törölköző segítségével végezhető. Súroló hatású tisztítószerket nem szabad használni      |
| (RU)                                                                                                                                                                                                                                                                                                                  | Очищайте от пыли тряпкой или слегка влажной ветошью. Не допускается применение чистящих средств, не предназначенных для ухода за мебелью.         |
