This exploded view diagram illustrates the assembly of the KLEIN cabinet. It shows the main cabinet body, four drawers, and a top panel. The drawers are shown being inserted into the main body. The top panel is shown being placed on top of the main body. The diagram also shows the feet being attached to the bottom of the main body.

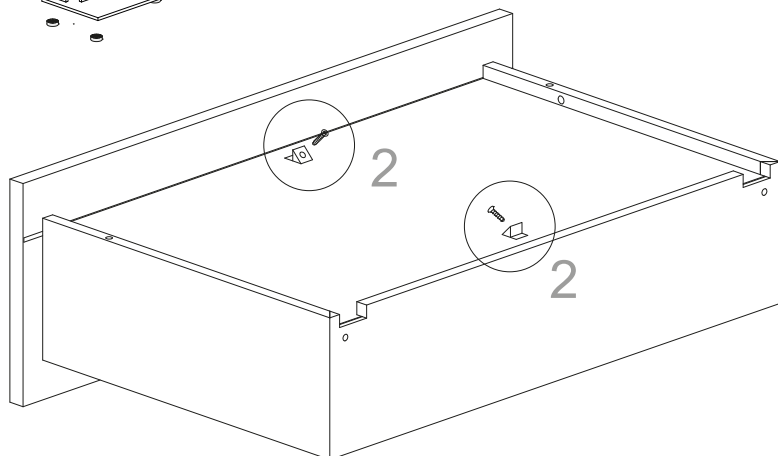

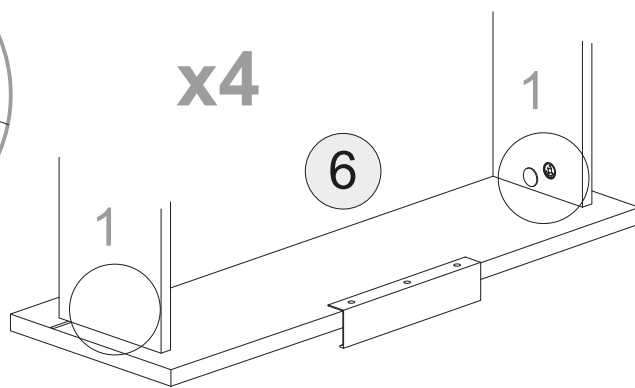

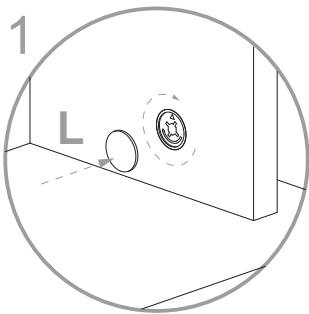

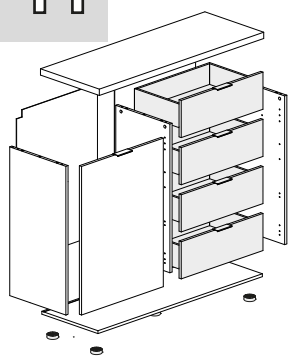

Exploded view diagram of the storage unit. The diagram shows the top panel, four drawers, and the side panels. Dimensions are indicated: 100 cm for the top panel width, 100 cm for the side panel height, and 100 cm for the side panel width. The drawers are shown in an exploded state, indicating they are removable.

This diagram illustrates the exploded view of the lower cabinet assembly. It includes two large doors on the left, four drawers on the right, and a base panel. Various hardware components like screws, bolts, and a hinge are shown separately, indicating their placement points on the cabinet parts.
