Warnings required

According to EN14350:2020 + A1:2023 – Child care articles – Drinking equipment, the following warnings are required and may be included on a separate leaflet placed inside the packaging or in/on the product.

For your child's safety and health

WARNING!

- Continuous and prolonged sucking of fluids will cause tooth decay.
- Always check food temperature before feeding
- Throw away at the first signs of damage or weakness.
- Keep components not in use out of the reach of children.
- Never attach to cords, ribbons, laces or loose parts of clothing. The child can be strangled.
- Never use feeding teats as a soother.
- Always use this product with adult supervision.

The following information shall be visible at the point of sale:

- Straws are not suitable for a child under 6 months.

Instructions for use required

According to EN14350:2020 + A1:2023 – Child care articles – Drinking equipment, the following instructions for use shall be provided as applicable on the packaging or in a leaflet. Alternative wording is permitted.

- Before first use, disassemble and clean the product and then place the components in boiling water for 5 min. This is to ensure hygiene.

- Before each subsequent use clean carefully to ensure hygiene.
- Instruction for at least one suitable method of cleaning.
- Where applicable methods of cleaning food from non-visible surfaces. Instructions shall ensure that all parts including areas which may not be visible but where food has passed through are thoroughly washed and flushed with clean water to remove any food residues.
- Where applicable, unsuitable common methods of heating, cleaning (including where applicable unsuitable common cleaning agents), storage and use which might damage the product.
- Inspect the feeding teat before each use and pull the feeding teat in all directions. Throw away at the first signs of damage or weakness.
- Do not leave a feeding teat in direct sunlight or heat, or leave in disinfectant (“sterilising solution”) for longer than recommended, as this may weaken the teat.
