

Installation Instructions for
Tilling Wall

WB1859 , WB1860

A/O

GENERATION LIGHTING

- 1 Install the finials to the top and bottom of the fixture using the screws and washers.
- 2 Follow enclosed supplement installation instructions for electrical and fixture installation onto wall.
- 3 Screw the lamp into the socket. Refer to the label on the socket for Max Wattage Information.
- 4 Install the shade to the top of the fixture and secure it in place using the cap screws.
