

- 1 Install the mounting plate to the wall.
- 2 Install the candle tube by slipping it over the socket.
- 3 Install the candle follower by placing it on top of the candle tube.
- 4 Screw the lamp into the socket. Refer to the label on the socket for Max Wattage Information.
- 5 Install the shade onto the small threads and secure it in place using the washers and cap nuts.
- 6 Insert the threaded pipes from the shade through the fixture base, then secure in place using the washer and hex nuts.
- 7 Follow enclosed supplement installation instructions for electrical and fixture installation onto the wall.
- 8 Mount the fixture base onto the mounting plate and secure it with the set screw using an Allen wrench.
