BUNDLE OFFER

TALOS S LUX + TALOS FOLD COT

BUNDLE OFFER

INTRODUCTION

Make memories that last a lifetime with a stroller that's robust enough to handle the great outdoors, and agile enough to maneuver through city life. The TALOS S LUX and TALOS Fold Cot provide all-season comfort, no matter the climate or time of year. It has childhood covered from the very start with its foldable cot and all-season comfort seat, taking your baby all the way from newborn to explorer.

Part of the travel system, it gives parents the flexibility to easily switch between the included TALOS Fold Cot, any CYBEX infant car seat or seat unit. The cot folds on or off the frame into a compact, space-saving size that's perfect for car trunks or storing at home. Equipped with a firm and breathable soft foam mattress, it gives your baby all the comfort, support and air ventilation they need to make every trip an explorer's dream. The TALOS S LUX arrives with a complimentary shell. Attached to the seat, it creates a cocoon-like, enclosed safe space when used in the ergonomic lie-flat position. In tandem with the extendable, XXL sun canopy, made of UPF50+ fabric, it provides flexible 360° protection against the sun, wind and rain. Once your little explorer grows, they can enjoy the view in comfort, sitting upright well protected in their shell either parent or forward-facing. Off-road suspension on the front wheels and rear frame absorbs all the shocks to produce the smoothest ride on the bumpiest of surfaces, helped by puncture-proof tires and their mudguards.

Make city trips or nature adventures a breeze with a unique one-pull harness that delivers a snug, body-hugging fit in seconds. It lets you secure your child with one hand and adapts effortlessly, even with extra layers, making getting your child in and out effortless

TALOS S LUX

GDA Award is only applicable for Talos S Lux (Seat + Frame)

TALOS S LUX + TALOS FOLD COT

KEY FEATURES

TRAVEL SYSTEM READY

From birth to toddler

Give yourself and your family the flexibility to quickly change between the dedicated TALOS Fold Cot, any CYBEX infant car seat or seat unit as the day's adventure unfolds.

REDEFINED COMPACT FOLD: ALSO WITH CARRY COT

Space-saving fold with cot or seat

The TALOS Fold Cot compactly folds into a space saving size while still attached to the frame making it simple to store or transport in car trunks. The Seat Unit folds in both directions, allowing a compact fold in any configuration.

ALL SEASON COMFORT SEAT

Multi Climate Versatility

No matter the climate, spend your day strolling through city life or navigating rough terrain, with your baby completely sheltered from the sun, wind and rain either sitting upright or lying flat. Fully protected in their reinforced seat under the UPF 50+ XXL canopy and snug in their complimentary shell.

OFF-ROAD SUSPENSION SYSTEM

All-terrain adventures

Explore nature or head off on an urban adventure in your TALOS S LUX. Off-road suspension on the lockable, swivel front wheels and rear frame together with large rear wheels, provide the smoothest rides and help you handle even the toughest terrain.

PUNCTURE-PROOF WHEELS WITH MUDGUARDS

Limitless outdoor exploration

Go splash land puncture free thanks to all-terrain, durable wheels with detachable mudguards, letting parents explore with confidence.

TALOS S LUX + TALOS FOLD COT

TALOS S LUX

STANDALONE OFFER

TALOS S LUX

STANDALONE OFFER

INTRODUCTION

Make memories that last a lifetime with a stroller that's robust enough to handle the great outdoors, and agile enough to maneuver through city life. The TALOS S LUX is your reliable companion, no matter the climate or time of year. It has childhood covered from the very start with its all-season comfort seat, taking your baby all the way from newborn to explorer.

The TALOS S LUX arrives with a complimentary Shell which gives your newborn their own soft cot, an enclosed safe space when used in the ergonomic lie-flat position.

In tandem with the extendable, XXL sun canopy, made of UPF50+ fabric, it provides flexible 360° protection against the sun, wind and rain. Once your little explorer grows, they can enjoy the view in comfort, sitting upright well protected in their shell either parent or forward-facing.

Off-road suspension on the front wheels and rear frame absorbs all the shocks to produce the smoothest ride on the bumpiest of surfaces, helped by puncture-proof wheels and their mudguards. Make city trips or nature adventures a breeze with a unique one-pull harness that delivers a snug, body-hugging fit in seconds. It lets you secure your child with one hand and adapts effortlessly, even with extra layers, making getting your child in and out effortless.

The TALOS S LUX travel system lets your child discover nature or thrive in city life from the very start. Whether paired with a CYBEX infant car seat for seamless everyday transitions, or as part of a convenient bundle with the TALOS Fold Cot, it creates a cozy and protected space for outdoor adventures from day one.

USAGE:

Max. Child Weight 22kg

Child Age From birth to approx. 4 years

DIMENSIONS:

Unfolded Dimensions L 830 - 930 mm / W 590 mm / H 1050 - 1150 mm

TALOS S LUX

KEY FEATURES

ALL SEASON COMFORT SEAT

Multi Climate Versatility

No matter the climate, spend your day strolling through city life or navigating rough terrain, with your baby completely sheltered from the sun, wind and rain either sitting upright or lying flat. Fully protected in their reinforced seat under the UPF 50+ XXL canopy and snug in their complimentary shell.

SOFT COT FROM BIRTH

One shell, two functions

Take your newborn to the country or around town in a complimentary shell. It gives your baby a soft, separate cot: a safe, enclosed space when used in the ergonomic lie-flat position, or raised to protect them from wind, rain, and snow as they grow.

OFF-ROAD SUSPENSION SYSTEM

All-terrain adventures

Explore nature or head off on an urban adventure in your TALOS S LUX. Off-road suspension on the lockable, swivel front wheels and rear frame together with large rear wheels, provide the smoothest rides and help you handle even the toughest terrain.

PUNCTURE-PROOF WHEELS WITH MUDGUARDS

Limitless outdoor exploration

Adjusting the one-pull harness with one hand secures your child in seconds, perfect for frequent in-and-outs. It intuitively adapts when you add or remove a jacket, and the shoulder pads are easy to move for comfort.

TRAVEL SYSTEM READY

From birth to toddler

Give yourself and your family the flexibility to quickly change between the dedicated TALOS Fold Cot, any CYBEX infant car seat or seat unit as the day's adventure unfolds.
