

GENERATION LIGHTING

- 1 Secure the mounting plate to the wall.
- 2 Follow enclosed supplement installation instructions for electrical and fixture installation onto house wall.
- 3 Mount the fixture base onto the mounting plate and secure it with the allen screws.
- 4 Install the candle tube by slipping it over the socket.
- 5 Install the candle follower by placing it on top of the candle tube.
- 6 Screw the lamp into the socket. Refer to the label on the socket for Max Wattage information.
