Technical drawing of a three-dimensional structure, likely a model for a study. The drawing shows a rectangular frame with a central vertical element. Dimensions are indicated: a width of 50cm at the base and a height of ca 350 (centimeters) for the central vertical element. The label 'SBV' is placed near the top and bottom of the central element, with arrows pointing to specific points. The drawing is a line drawing with dots indicating a grid or measurement points.

A diagram showing a V12 engine layout. A car chassis is shown above a table. On the table, there are two circular components labeled 'V12' with arrows pointing to them. A small rectangular component is also on the table. A label '111 xxx' is in the top right corner.
