

Installation Instructions for
Rubin 4, 6, and 9 Light Chandelier

E3125/4, E3126/6, E3128/9 1.0

GENERATION BRANDS

- 1 Install the fixture arms by screwing them to the swivels, then secure them to the hub using the washers and couplers.
- 2 Place the shade onto the shade base and secure it in place with the collar nut using the shade tool. Repeat for remaining shades.
- 3 Screw the lamps into the sockets. Refer to the label on the lamp socket for Max Wattage information.
- 4 Place the hub cover and washer onto the hub nipple and secure them in place with the hex nut. Place the spacer onto the hub nipple.
- 5 Adjust the required height of fixture by stems.
- 6 Follow enclosed supplement installation instructions for electrical and fixture installation onto house outlet ceiling.
