Assembling instructions:

Product attached to the wall, screws & wall fixings for wall not included.

1. Do not use wire between the two fixing brackets on backing-only hang by screwing a permanent screw into a secure wall (as outline below).
2. Do not place very hot or very cold items against or in close proximity to glass surface unless adequately thick insulating material is used to prevent such items coming in contact with glass.
3. Caution-check the strength of the wall which the frame is to be positioned onto appropriate fixings may be required if fitting onto a partition wall.
4. Check the mirror periodically to see that no fitting has loosened and needs attention.
5. We recommend that at least two people hang the mirror.
