

1A

- 1 Open all fixture arms so they are equally spaced apart from each other and secure them onto bottom ring by inserting the pegs on the ring into the holes on the arm.
- 2 Follow enclosed supplement installation instructions for electrical and fixture installation onto the ceiling.
- 3 Install the candle tubes over each socket.
- 4 Screw the lamps into the sockets. Refer to the label on the lamp socket for Max Wattage information
- 5 Install the shades directly.
