Diagram 5 illustrates the process of attaching the backrest (labeled 5) to the sofa base (labeled 2). A circular inset provides a detailed view of the connection point, showing a hand using a screwdriver to tighten a screw into a pre-drilled hole in the backrest's internal frame, which is being aligned with the base.

6

Diagram 6 shows the sofa and chaise longue sections being pushed together, as indicated by the arrows. A circular inset shows a close-up of the connection mechanism, where a pin or bolt is inserted through the side of the sofa section into the chaise longue section to secure the joint.

7

The diagram illustrates the assembly of a sofa, specifically the insertion of cushions. The main view shows a three-seater sofa with a tufted seat and backrest. Four circular callouts provide detailed instructions:

- Callout 1 (Top Left):** Shows a hand inserting a backrest cushion into the top of the sofa frame. An arrow indicates the direction of insertion.
- Callout 2 (Top Middle):** Shows a hand inserting a seat cushion into the bottom of the sofa frame. An arrow indicates the direction of insertion.
- Callout 3 (Top Right):** Shows a hand pushing a cushion into the frame. An arrow indicates the direction of movement.
- Callout 4 (Bottom Left):** Shows a hand pushing a cushion into the frame. An arrow indicates the direction of movement.
