

B07HR51GBNM-DE

EAN: 8698902514767

- built-in oven
- 10 heating modes, hydrolytic cleaning function
- Display with timer
- Hot Air Shield
- Hydro Assist
- Soft Close

HIGHLIGHTS

VapoSanit

The steam cleaning function gently softens dirt deposits in the oven with steam. You can then clean the interior of the oven effortlessly

Hydro Assist

enables steam-assisted cooking. Simply pour water into the well at the bottom and select the steam function on the oven .

EasytoClean

The smooth enamel interior of the oven ensures quick and easy cleaning

Detach&Clean

No more struggling to keep the oven door clean: You can even clean our removable inner glass door in the dishwasher

Extra-large interior

The bigger, the better. If you're cooking for a large family, this oven is the right choice

LED-Display

The length of the baking process and the start and end times can be programmed via the LED display with electronic timer.

SoftClosing

Thanks to a special hinge, the automatic oven door closes gently and quietly

DoorSwitch

Switches the light on when the oven door is open and switches it off when the door is closed to save energy

**Hot Air Shield**

When the oven door is opened during operation, the AirCurtain technology generates an air flow between the control panel and the underside of the oven. This keeps the hot air inside the oven and reduces energy consumption.
