

# Product Information Sheet

|                                                                                   |                         |
|-----------------------------------------------------------------------------------|-------------------------|
| Trade Mark                                                                        | Dieter Knoll Collection |
| Model                                                                             | DKB65902XK 949499038    |
| Energy Efficiency index EEI – Main Oven                                           | 81.2                    |
| Energy Efficiency Class – Main Oven                                               | A+                      |
| Energy consumption with a standard load, conventional mode(kWh/cycle) – Main Oven | 0.93                    |
| Energy consumption with a standard load, fan-forced mode (kWh/cycle) – Main Oven  | 0.69                    |
| Number of cavities                                                                | 1                       |
| Heat source                                                                       | Electricity             |
| Volume (l) – Main Oven                                                            | 72                      |
