BALIOS S LUX + BALIOS FOLD COT

BUNDLE OFFER

INTRODUCTION

Live city life to the max with the BALIOS S LUX and BALIOS Fold Cot, giving you all the compact flexibility and everyday comfort you and your child could wish for from day one.

Part of the ultimate travel system, it adapts to your needs so pair it with the included innovative BALIOS Fold Cot, any CYBEX infant car seat or attach the seat unit. The cot folds on or off the frame into a compact, space-saving size, perfect for car trunks or storing at home. A firm and breathable, soft foam mattress gives your baby all the comfort, support and air ventilation they need to make every journey dreamy.

When your child is ready to switch to the seat unit, the ergonomic lie-flat recline lets even the smallest babies enjoy the smoothest rides, while the unique one-pull harness supplies the snuggest, safest fit in seconds.

Depending on the day's adventure, simply alternate the seat between parent or forward-facing while curbs, cobblestones or bumpy sidewalks are easy to tackle with its advanced comfort and city-ready suspension.

Looking as good as it handles, a super-sized and color-coordinated basket means the BALIOS S LUX is just made for the city.
