

The image shows a close-up of a person's hand touching a dark, textured mesh panel integrated into the back of a brown outdoor chair. The chair has a zipper with a pull tab that says 'Vorwerk' and some faint white text on the side that appears to be 'VIV'. The background is a blurred green, suggesting an outdoor setting.

Frische Lüft. Rundum bequem.

Das integrierte Rückenbelüftungssystem sorgt
für ein angenehmes Klima – auch an warmen Tagen
