Care guide

Care and maintenance

Fabric upholstery

Protect your fabric from spillage, sunlight and heat. The fabric may be vacuumed and, if necessary, carefully spot-cleaned. Spot-cleaning agents should only be used after first testing on a less visible area of the fabric.

Safety Instructions

Never drag furniture when moving it, always lift it.

Periodically check all fixings to ensure none have come loose and re-tighten where necessary.

Please take care when handling or moving the furniture as careless handling may cause damage or injury.

Furniture can be dangerous if incorrectly installed. Assembly should be carried out by a competent person. No liability will be accepted for damage or injury caused by incorrectly installed or assembled furniture.

Always ensure the feet provided with this product are suitable for your flooring.

Periodically check the position of any foot caps/felt pads used to ensure your floors are protected.

Retain these instructions for future reference.
