## Magnum

### Magnum Esstisch mit Einlegeplatte

1

#### Hinweis

- Auszug immer bis zum Endanschlag ausziehen.
- Nach dem Ausziehen verriegeln

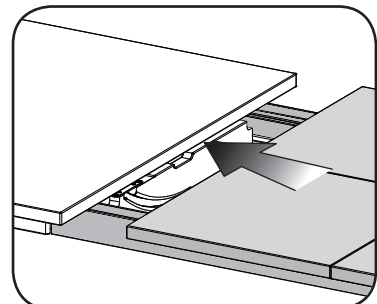

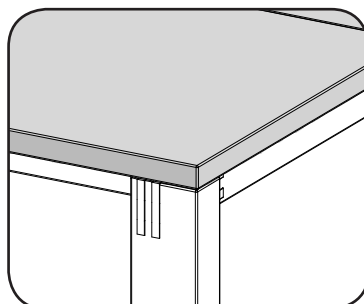

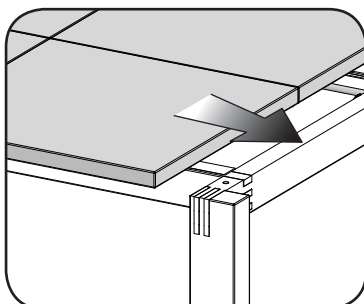

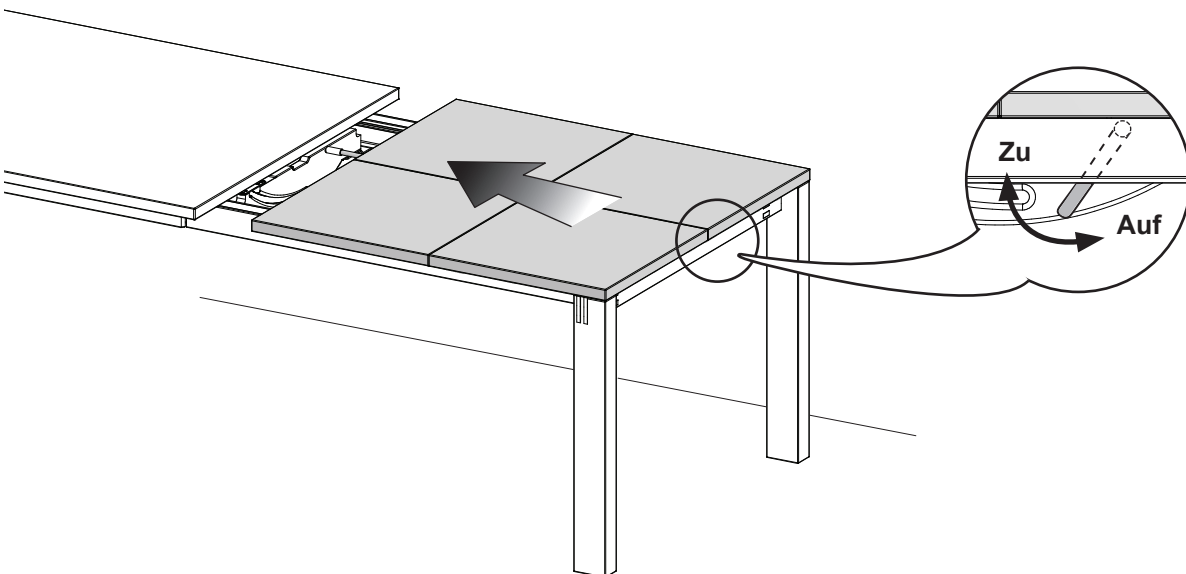

### Hinweis

- Dämpfung abhängig von der Ausführung (Holz, Glas) der Einlegeplatte. Je nach Gewicht wirkt die Dämpfung unterschiedlich.
- Um ein sanftes Herabgleiten der Einlegeplatten zu gewährleisten, muss die Einlegeplatte über jenen Punkt gedreht werden, bei dem sie sich selbst aus-/ zusammenklappt.

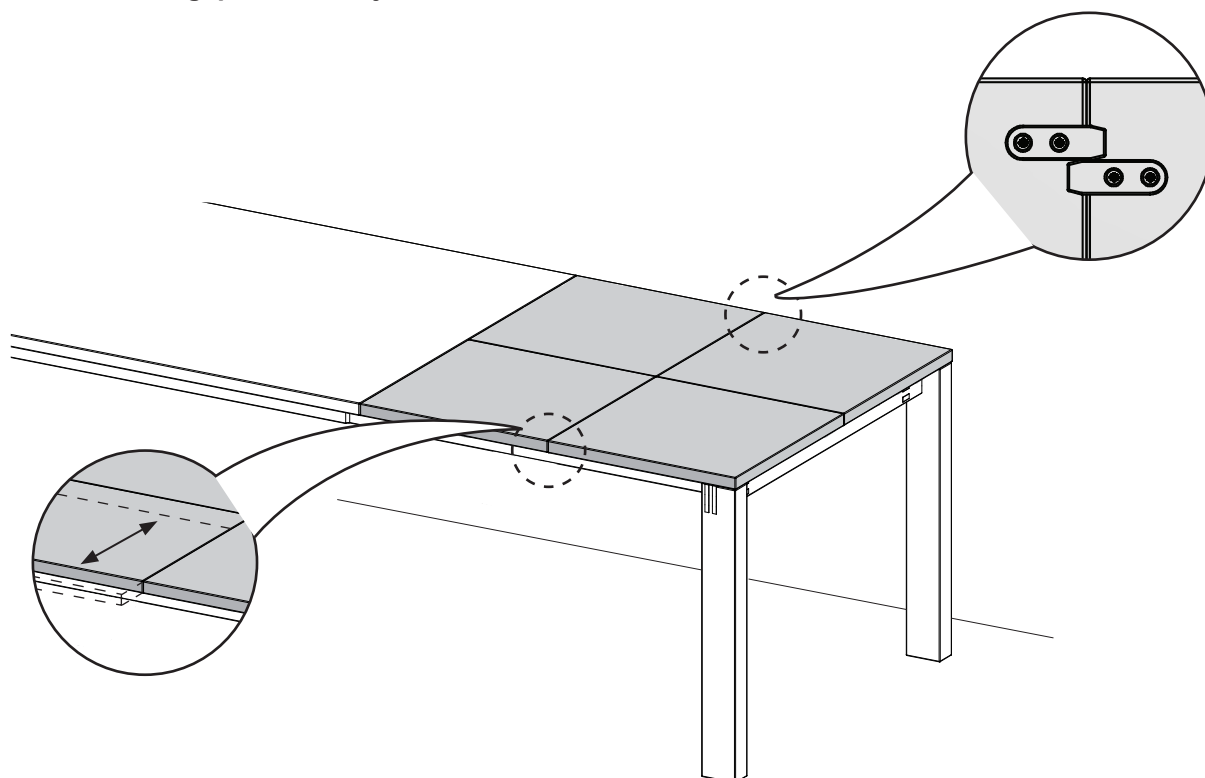

2soft

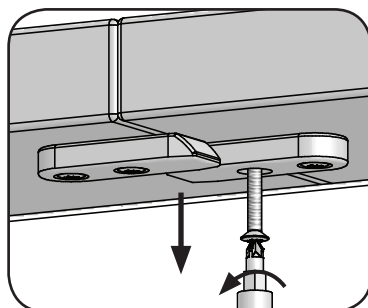

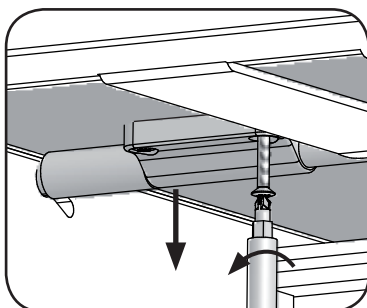

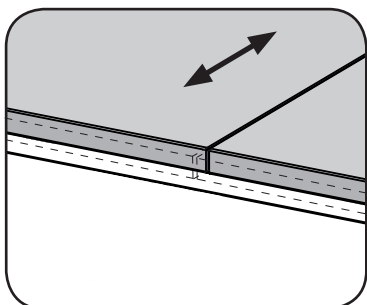

#### 4 Eventuell Einlegeplatten nachjustieren

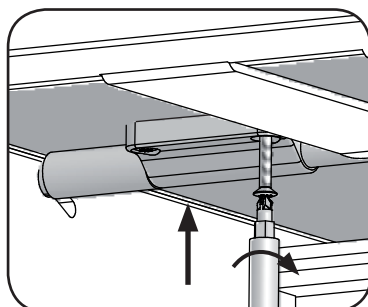

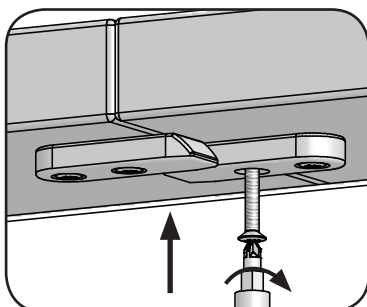

##### 1. Beschlag lösen

##### 2. Platten ausrichten

##### 3. Beschlag befestigen

5.
