

Technical drawing of a 2x2 grid shelving unit. The unit is shown in a perspective view. The dimensions are indicated by arrows and text: the top edge is 760, the left edge is 760, and the depth of the unit is 350. The unit consists of a base and two shelves, creating three levels. The shelves are supported by a central vertical divider and two side dividers, creating a 2x2 grid of compartments.
